

Serial No. 10/762,608

Amendment

Examiner: Squires, Brett S.
Group Art Unit: 2836REMARKS

REGARDING THE AMENDMENTS

Applicants have in this paper made the following amendments to the claims:

Claim 1 has been modified to include the limitation of dependent claim 5.

Claim 11 has been modified to include the limitation of dependent claim 14.

Claims 5 and 14 have been canceled.

Applicants have made these amendments to claim inventions that are unquestionably patentable over the cited references. Applicants continue to assert that the claims as originally filed and later amended are patentable over the known references to date, and refer to their arguments made in their response. Applicants therefore reserve the right to prosecute the subject matter defined by the original claims in a continuing application if they so desire.

Respectfully submitted this 21 day of June, 2005.
